The Reined Cow Horse

Since 1981, The Alberta Reined Cow Horse Association (ARCHA) has promoted the tradition of breeding, training and showing world champion working cow horses. These talented equine athletes epitomize western traditions and equine sport. Infusing all the western disciplines (herd, reining and cow work), the working cow horse is an extreme athlete! Competing in Futurities, Derbys and Horse Show events, the horse and rider cut cows from a herd with precision, execute difficult riding manoeuvres and control a cow at speed with eloquence. Pure adrenaline!

"Some people dream of success, while other people get up every morning and make it happen."

Rural Roots - Our Membership

The ARCHA has dedicated youth, adult and senior members with deep roots within rural Alberta. With over 40% of members belonging to the association for five to ten years, they are dedicated and passionate about horses, sport and the western rural lifestyle.

56% of our members are female and 44% male with an average income of over \$100,000. They love their sport, and they make sure they are equipped for it to be as successful and enjoyable as possible. Over 95% indicated they would change their buying habits to support sponsor products and services.

Community Impact

Support Local Businesses

Our members travel from all over western Canada and Montana to participate in our events. While at shows they support local businesses such as hotels, dining, grocery & retail stores impacting the local economy.

Engage & Support Volunteerism

We are grass roots organization, operating mainly via volunteers. You will see volunteers at shows scribing for judges, announcing, opening gates, handling cattle, and many other key operational roles.

Collaboration With Youth

From numerous youth horse show classes, partnerships with High School Rodeo, and a youth scholarship fund we are proud to support the youth in our sport and are thrilled to watch them progress in their love for horsemanship, education and sports.

Engage Our Membership - Your Customer

The ARCHA is looking to partner with dynamic organizations like yours to help deliver a truly outstanding 2026 show season featuring Alberta's best cow horses, cowboys and cowgirls. Contributions from our supporters enable us to provide competitors the opportunity to participate in Western Canada's premier horse events.

Through your support, you have direct access to your target audience - a unique opportunity to get to know your customer and promote and/or reinforce your product and services directly and drive your business objectives.

In 2026, ARCHA will host various weekend shows throughout Alberta with three Premier events; the Cowtown Derby & Stock Horse Show, Canada's Greatest Horseman with Summer Spectacular and later in the year the Alberta Snaffle Bit Futurity & Dave Robson Derby. Many of these events will be cross sanctioned with the National Reined Cow Horse Association, headquartered in Pilot Point, Texas allowing our members to compete on an international scale.

In addition, a series of clinics and training events will be hosted throughout the show season engaging members. Events attract top competitors from across Canada and the USA. The show season runs April to October annually.

What Our Supporters Are Saying

"We have been a proud supporter of the Alberta Reined Cow Horse Association for over 5 years. Our participation allows us to directly align with our target audience and support both horse and rider."
