**Ties for first Place:** In the Working Cow Horse classes the highest cow work score will be used to break the tie. In the event both cow work scores are the same, the tied contestants will have a work-off down the fence, or may flip a coin if mutually agreed. In the Cutting classes the tied contestants will evenly split first and second place prize money and points, but must determine the awarding of prizes by the flip of a coin.\

**Awarding of points for ties (other than first place):** If the scores of two or more entries are equal, the points awarded to both (or all) tied entries will be calculated by adding together all points which would have been awarded to those places had the entrants not have had equal scores, and divided by the total number of tied entrants. For example, there are eleven (11) entries in a class and equal scores occur in the third and fourth and seventh and eighth places

**Point System:** During the show season, points will be awarded to horse and rider teams for based on placings in approved ARCHA show classes. Points will be awarded in accordance with the point system schedule (see examples below)The first placing horse receiving the highest number of points depending on the number of

horses actually shown. In a class with 5 or more shown the 1<sup>st</sup> place horse will receive 5 points for the win plus one point for every horse defeated. Each succeeding place (2<sup>nd</sup> to 5<sup>th</sup> place) will receive the specified points (see examples below), and will receive 1 point less than the place before it. Any errors found in show results or standings will be corrected immediately on the ARCHA website. Members or show management must contact the ARCHA office within 30 days of the posting of these results for corrections to be made

**Year-end Point Tabulation and Ties** - A cumulative tabulation of all points earned by all entries during the show season shall be kept at the ARCHA office. Tabulation of points shall be published in the ARCHA publication or website. If there is a tie for a placing in the points for year-end standings, the entry with the highest earnings shall be declared the winner.

- For approved events where Spectacular classes are offered but the regular horse show classes are not offered, points as defined above will be awarded for the Spectacular classes. If both regular horse show and spectacular classes are offered in the same show they may be run concurrently but only the regular horse show classes will be awarded points.

**Year-End Awards.** Everyone that competes in an ARCHA approved horse show class as defined above will automatically be in the running for the year-end awards. Said tabulation of earned points shall be published on the ARCHA website.

- To qualify for year end points, riders and owners must be members in good standing. Horses that have been leased do not require the owners to become members. A copy of the lease agreement must be filed with the ARCHA office prior to the showing of the horse. In the case of Non Pro competitors, leasing a horse does not constitute ownership as per Non Pro rules

## 7. Rules for Competition

- For weekend shows, show entrants scratching, for any reason, after 6:00p.m. Wednesday the week of the show are responsible to pay cattle and office fees. Show entrants scratching, for any reason, after 6:00 p.m. Thursday the week of the show are responsible to pay all entry fees. Add-backs and points from entries scratched after 6:00 p.m. Thursday will be included in the payout and point calculations
- These fees must be paid prior to the next show date before the competitor will be allowed to show or they will not be considered a member in good standing. When a competitor fails to show, without notice to the show management, all fees will be charged and payable prior to the next show date. Refer to Section 2 Number 12.
- Missing Order of Go or Back-to-Back Draws Between Classes: The competitor may choose to request a change of order by contacting the ARCHA Director in Charge and the show office. Every attempt will be made to notify the competitors involved. If a change is agreed upon the competitor will be moved to the bottom of the draw.
- Lone or Single Entries in a Class - Where possible the competitor will be notified after the official entry close date. The competitor has the choice of staying in the classes as entered, or moving to an alternate class without penalty (however, fee differences are applicable). If the draw has been done in the alternate class, the office has the following draw options: in cutting moving the entry to the bottom of the herd; in working cow horse moving the entry to the bottom of the draw; or in any discipline, dropping the entry in as a sub-entry.
- If any entry changes ownership, the entry will retain eligibility by complying with the following: 1) notifying the Association of the change of ownership and the intention of the new owner to continue the entry, 2) payment of the remaining fees when due and 3) membership of the new owner in the ARCHA. The Executive Committee reserves the right to approve all transfers.
- Unofficial scores may be announced and/or exhibited on the scoreboard after each entry's work. Scores will then be verified from the judge's score sheets and any corrections will be made. Scores will not be official until all score sheets have been verified.
- In the event of a post-event disqualification, the payout will remain the same as far as number of places paid, as before the disqualification.
- The Show Committee will select the patterns to be used in the reined work. Any pattern change must be posted at least 1 hour before the go round to which it applies.
- Size and design of horse shoes will be at the exhibitors' discretion.
- ARCHA approved shows are not required to have bits checked (however, **any NRCHA-approved show will have bits checked**).
- Rules printed herein are subject to amendments and annual updates

## 8. Show Management

**Show Approval:** Any show committee or event seeking approval by this Association must comply with numerous criteria. A show package, outlining the mandatory requirements and helpful recommendations, is available to any interested parties at no cost or obligation from the ARCHA office.

- An event approved by the ARCHA is exclusive to the ARCHA and cannot also be approved or sanctioned by an unaffiliated horse entity or association unless specified prior approval is obtained from the ARCHA.
- Approved shows pay back contestants the total of the add back plus the total added purse. The contestants will be paid from this pool on a percentage basis depending on placement and number of entries.

## 9. Judges

- Exhibitors shall not contact or attempt to contact the designated judge pertaining to his/her judging of any horses at that show. Further, exhibitors shall not approach a judge for any reason prior to the completion of the judging unless the show official is present. Any request to speak to a judge must be made through the show official. When an exhibitor makes a request through the show official for the judge's opinion concerning the exhibitor's horse, it is urged that the judge will give his/her opinion courteously and sincerely in the presence of the show official; however, there will be no fraternization between the exhibitor and a judge during the show.
- A judge may order any person or horse from the competition for bad conduct or may disqualify any contestant for excessive abuse of the horse. A judge may refuse entry into the arena or remove an entry from a class for improper attire and/or equipment.
- To make a formal complaint against a judge, such complaint must be in writing, signed by the complainant, and contain specific facts giving rise to complaint. The complaint must be received by the association within 7 days from the date of occurrence and accompanied by a \$100 non-refundable fee. The complainant may have to attend a hearing conducted by the Board of Directors.
